

**Lion Trail “Mountain Lion”**

This trail takes about 1 - 3 hours to complete (depending on the size and attention of your group). The activities are fun and engaging for kids and adults. These activities lean toward some family activities, and provide opportunity to unleash a child’s natural problem solving and outdoor skills. Great for a group of 4 – 8 people.

Often Campers will carry two trails with them at the same time – it's similar to having to BINGO cards – and allows others in the group to explore their own interests while still staying with the group.
