

Curiosity

This trail takes about 2 – 3 hours to complete (depending on the size and attention of your group). The activities are fun and engaging for kids and adults. These activities lean toward some of the STEM activities, and provide opportunity to unleash a child’s natural curiosity. Great for a group of 4 – 8 people.

Place to visit	Activity	Badge Requirement	
		K – 5 th	6 th – 12 th
In Camp	Learn a magic trick. Practice your magic trick so you can perform it in front of an audience.		
Handicraft	Create an invitation to a magic show.		
Pioneering	Create a secret code.		
Campfire area	With your den or with your family, put on a magic show for an audience.		
Pioneering	With the other Scouts in your den or with your family, crack a code that you did not create.		
In Camp	Spell your name using sign language, and spell your name in Braille.		
STEM room indoor	With the help of your adult partner, conduct a science demonstration that shows how magic works.		
Discussion	Share what you learned from your science demonstration.		

Family / Den / Patrol Name: _____

Scout Book: the code to the right will help parents and leaders find the age appropriate requirements for various badges. By the time a Scout completes the trail, they will have checked off several requirements and earned a % of their way toward Eagle.

On and off the trail: Feel free to jump on or off the trail to follow the interests of your child / Scout.

Important Note to Parents: PLAY! The camp is designed for you too. Your Scout or child’s highlight will be participating WITH you.

Fins, Furs and Feathers

Often Campers will carry two trails with them at the same time – it's similar to having to BINGO cards – and allows others in the group to explore their own interests while still staying with the group.
